

ASHLYNNE BARROW is finding summer work scarce to non-existent in her beloved New Orleans, so with the help of her friend Mimi, a spirit that talks to her through her mirrors, she travels north to Charlevoix, Michigan.

While the new job may be lucrative and the city small-town charming, returning to the place that holds memories of abuse and loneliness causes no small amount of anxiety. However, untangling the true terror of Rosehaven Cottage makes difficult childhood memories pale in comparison, and it will take all of her strength, and her faith in friendship, to make it back to her heart's home alive.

Book 2 in the Faerie Tale Chronicles brings you Witches, Vampiric Fae, and Ghosts - all vying for attention and power in a palatial summer cottage on the shores of Lake Michigan.

ANNIE RUSSELL is an Author, Chef, and Artist who splits her time between New Orleans, Louisiana and Charlevoix, Michigan.

She crafts voodoo dolls in her studio, paints with words and colors, talks to ghosts, and leaves offerings for The Fae in her garden.
